

For compressed air / water – heavy-duty type

Heavy-duty steel design for industrial applications. Blue, powder-coated housing.  
An automatic latching mechanism allows the hose to be engaged at any length. Enclosed spring. Precise locking device for continuous feeding or latching mechanism. Reel guide prevents excessive wear on the hose

Hose material	Polyurethane, non-braided
Max. operating pressure	10 bar
Min. operating temperature	-10 °C
Max. operating temperature	40 °C
Thread, Input	Hose stem 8 mm
Mounting options	Wall, floor or ceiling

259/6020

### Hose reel for compressed air / water, heavy-duty type

Type No.	Art. No.	Hose size mm	Hose length m	Threaded connection hose	B mm
